Dear Superintendents, Treasurers, Title III English Learner Coordinators and Consolidated Application Contacts:

The Ohio Department of Education posted information about preliminary Title III allocations in the CCIP Document Library. Use the following links to access the tables to determine your district's or school's eligibility for each grant:

- FY19 Title III English Learner Preliminary Allocations
- FY19 Title III Immigrant Preliminary Allocations

These preliminary allocations are based on a conservative estimate of Ohio's Title III award from the U.S. Department of Education. Final allocations will be announced upon receipt of Ohio's grant award notification.

Preliminary English Learner Allocations. We have loaded awards in the Comprehensive Continuous Improvement Plan (CCIP) to districts and schools with preliminary allocations greater than or equal to $10,000. Districts and schools with a preliminary award less than $10,000 must join or form a consortium to participate in Ohio's Title III program. Please refer to resources about Title III Consortia in the CCIP Document Library (CCIP Document Library → Consolidated Funding Application → Title III Language Instruction for Limited English Proficient and Immigrant Students → Forms).

Preliminary Immigrant Allocations. We have loaded Title III Immigrant allocations for eligible districts and schools. To be eligible for a Title III Immigrant award, districts or schools must have met these criteria:

1. Report 30 or greater immigrant children and youth in the Education Management Information System (EMIS) and the Nonpublic Data System (NPDS) for Fiscal Year 2018; and

2. Experience a growth in enrollment of immigrant children and youth of 5 percent or more when compared to the average immigrant population of the past two fiscal years.

The $10,000 threshold and consortium requirement do not apply to Title III Immigrant grant recipients.
