**Key Words:** Carryover Funds, 21st Century
**Summary:** This document is in regards to 21st Century carryover and spending limitations.

## Definition

Funds that the local educational agency (LEA) or Community Based Organization (CBO) did not spend under the 21st Century Community Learning Center in the previous fiscal year are not eligible for carryover.

## 21st Century Community Learning Center Grantees

As of 11/29/04, no carryover funds will be permitted for 21st Century Community Learning Center Grantees. We encourage all 21st Century grantees to review their budgets and assure that all funding line items are planned sufficiently for the intended fiscal year. Continuing 21st Century grantees will not be permitted to use or exceed carryover funding beyond the intended fiscal year.

In order to sustain your programs for the 4th year and 5th year, we recommend you obtain or solicit funding sources within the community to support your declining awards. Again, for continuous grantees, no carryover funding will be permitted to replace budget activities beyond the 75 percent and 50 percent awards.
