Agriculture Education 5th Quarter Competitive Grant Application

Issue Date: **Revised Date:**: June 8, 2010

Keywords: CCIP Competitive Application, Agriculture Education 5th Quarter, grants
Summary: Provide an overview of the guidance, purpose, and submission for the Beard Foundation Competitive Grant

Description:

The Ag Ed 5th Quarter Grant is a state-funded grant targeting year-round instruction. It was developed to assist local schools and career centers provide supplemental resources to ensure delivery of summer instruction and to develop student entrepreneurial activity and work experience through organized activities and supervised agricultural experience (SAE). The funds are used to provide additional revenue streams for local education agencies (LEAs) to assist them in providing the Ag Ed 5th Quarter goal of year-round instruction and data collection to validate student experiences, income and efficiency factors correlated to SAEs. For Guidance, click here and go to *For Educators.*

Requirements:

Only LEAs that are committed to summer instructional activities with direct supervision of students by their teachers of agriculture may apply. The LEA must demonstrate a need for the funds and produce a complete proposal that meets the aims and purposes of the funds. The funding cycle for the grant begins July 1, 2009, and runs through June 30, 2011 (two fiscal years under the grant cycle). Applications for the current grant cycle were submitted in May 2009. Successful applicants will receive their grant funding for FY10 and FY11. Future Ag Ed 5th Quarter Grants will be subject to biennium budget approval.

Dates:

Ag Ed 5th Quarter grants for FY10 and FY11 had an application due date of May 2009.
