Differentiated Accountability Status

Superintendents, Treasurers and Consolidated Application Contacts

Letters notifying LEAs of their Differentiated Accountability (DA) status will be sent in September 2011. There will be two types of letters a LEA could receive:

FYI

- All LEAs identified with a FY12 DA support level will receive a notification letter of their DA designation. A similar letter was sent in prior years: 2008-09, 2009-10 and 2010-11

- LEAs that have been in DA categories for all of the last three years (2008-09, 2009-10 and 2010-11) will have additional requirements identified in Ohio's Differentiated Accountability Model. The list of the requirements can be found on pages 14-15 of the Differentiated Accountability Model. The DA link is: http://education.ohio.gov/GD/DocumentManagement/DocumentDownload.aspx?DocumentID=53742

  In addition to your Regional SST staff, the Office of the Ohio Network of Innovation and Improvement (formerly Office of State System of Support) will be available to help you through next steps for these additional requirements. Our office staff will be contacting you in early October. Direct questions to:
