FYI

The AYP 2011 Web site is now available for superintendents and their designees to submit data to ODE regarding their use of the Public School Choice (PSC) and Supplemental Educational Services (SES) options as specified in Sections 9202 and 9203 of the *No Child Left Behind Act* of 2001 (NCLB). If a district had at least one open Title I school (Including ARRA Title I) in School Improvement (SI) during the 2010-2011 school year, then the district is required to submit PSC/SES data in the AYP 2011 Web site by **4 p.m. on Friday, Nov. 4, 2011**. This data collection effort will allow the state to meet federal reporting requirements as described in the *No Child Left Behind Act of 2001*, PL 107-110, §9303.

Please note that this data collection project is unrelated to any Public School Choice or Supplemental Educational Services information your district may have submitted to ODE's Office of Federal Programs in recent months (e.g., copies of Parent Notification Letters for PSC and/or SES, SES Effectiveness Reports). Every district that had any open Title I building in School Improvement during the 2010-2011 school year must submit the PSC/SES data requested here via the AYP 2011 Web site in addition to any other PSC/SES information that the district has already provided to ODE.

Superintendents and their designees may access the AYP 2011 Web site either by clicking on the black "SAFE Sign-in" link at the top of the ODE home page (http://education.ohio.gov/GD/Templates/Pages/ODE/ODEDefaultPage.aspx?page=1) or by going directly to the ODE Web portal (https://safe.ode.state.oh.us/portal/) and entering the account name and password for their SAFE account.

1. If you do not have a SAFE account, click on the "Sign Up" button on the left side of the main ODE Web portal page and follow all instructions for obtaining an account. You will need a valid Ohio Driver's License or Ohio Identification Card in order to complete this automated process.
2. If you are a Superintendent who would like to grant access to the AYP 2011 Web site to a designee, you or your district's OEDS-R Organization Administrator may log in to OEDS-R and assign the role "Adequate Yearly Progress (AYP) – Standard Level Access" to the designee.

After signing in to the ODE Web portal, click the “AYP 2011” link listed under “Web Systems” to access the AYP 2011 Web site. If the “AYP 2011” link does not appear on your Web portal home page, or if you have other questions regarding Web portal access, please send an e-mail to safe.admin@ode.state.oh.us.

If you have any questions or concerns regarding the AYP 2011 Web site, please call the AYP Question Line at (614) 995-0098 or send an e-mail to AYP Support at ayp_support@ode.state.oh.us.
