Supplemental Education Services (SES) Effectiveness Reports

Superintendents, Treasurers, and Consolidated Application Contacts

FYI

LEAs are required to electronically submit an Effectiveness Report (ER) for each state-approved provider with whom the LEA has a contractual agreement for providing Supplemental Educational Services (SES) for FY12. The deadline to submit an ER to ODE is **Friday, June 29, 2012**, at **5 p.m**.

All FY12 SES requirements must be fulfilled.

To submit an ER for a SES Provider, a district user must have a SAFE Account and one of the following roles:
• Superintendent
• Treasurer
• Coordinator-Title I Programs
• Coordinator- Federal Programs
To access the SES system, users must log into their SAFE Account at https://safe.ode.state.oh.us/portal/default.asp and click *SES* on the Account Maintenance page.

For more information on using the online tool, please click here.

Districts that do not have Title I served schools in School Improvement year 2 and above are not required to offer SES; therefore would have no requirement to complete Effectiveness Reports.
