Preliminary Title III LEP Allocations for FY2013

FYI

Superintendents, Treasurers, and Consolidated Application Contacts

The preliminary Title III LEP allocation amounts for FY2013 are posted in the CCIP Document Library, under Consolidated Funding Application, Title III, Allocations: https://ccip.ode.state.oh.us/DocumentLibrary/ViewDocument.aspx?DocumentKey=78220

These preliminary allocations are based on a conservative estimate of our Title III state award from the U.S. Department of Education. Once we receive the actual award in July, we will publish the final allocations for all districts and community schools. In the meantime, Title III LEP funds for F2013 have been loaded into the CCIP allocation pages of those districts and community schools that reached the minimum $10,000 amount based on the preliminary allocations.

Title III LEP consortia (both fiscal agents and district/community school members) should know that because final Title III allocations will not be made until July, Title III LEP consortia (both fiscal agents and district/community school members) should make a commitment to continue to plan for a consortium in case the final allocation is less than $10,000 for any of the member districts. Immigrant program allocations for FY2012 will not be made until August 2012 when the confirmed immigrant student enrollment data is available from the 2012 EMIS Year End (N) reporting period.
