The Ohio Department of Education (ODE) is seeking comments regarding a waiver request to the US Department of Education regarding Section 1127(b) of the ESEA. Ohio has granted a blanket waiver to all the LEAs in the state under 1127(b) once every three years carry over limitation as a result of the Title I ARRA funding for two consecutive years.

We would like to request from USDoE another waiver of the one in three year limitation on granting such a waiver under section 9401 of ESEA for 232 out of our 944 LEAs that received FY2012 Title I, Part A funds.

The Ohio Department of Education (ODE) solicits comments regarding a waiver of the section 1127(b) of the ESEA to waive for Ohio districts, more than once every three years, the 15 percent carryover limitation for FY 2012 Title I, Part A, ESEA funds.

FYI

Ohio's No Child Left Behind (NCLB) waiver eliminates the troubled Supplemental Educational Service (SES) program and returns the funds back to districts and community schools. The funds now can be used for interventions outlined in a school's improvement plan, including supports for the third-grade reading guarantee.
