AYP 2012 Web Site – Submission of PSC and SES Data Only

FYI

Superintendents, Treasurers, and Consolidated Application Contacts

The AYP 2012 Web site is now available for superintendents and their designees for the sole purpose of submitting data to ODE regarding their use of the Public School Choice (PSC) and Supplemental Educational Services (SES) options as specified in Sections 9202 and 9203 of the *No Child Left Behind Act* of 2001 (NCLB). If a district had at least one open Title I school (Including ARRA Title I) in School Improvement (SI) during the 2011-2012 school year, then the district is required to submit PSC/SES data in the AYP 2012 Web site by **4:00 PM on Friday, November 9, 2012**. This data collection effort will allow the State to meet federal reporting requirements as described in the *No Child Left Behind Act of 2001*, PL 107-110, §9303.

Please note that although the requirements to offer Public School Choice and Supplemental Educational Services were lifted with the granting of Ohio's ESEA Flexibility Waiver for the current 2012-2013 school year, it is still a requirement to report data on these programs from the 2011-2012 school year. Every district that had any open Title I building in School Improvement during the 2011-2012 school year must submit the PSC/SES data requested here via the AYP 2012 Web site.
