Ohio | Department of Education

CCIP Note #296

Keywords: ESEA
Attention: Superintendents, Treasurers, and Consolidated Application Contacts
Summary: Pursuant to the requirements of Ohio's ESEA Flexibility Waiver, the link below provides the final list for each of the identified categories of **Priority, Focus, Alert and Improvement** (other low performing) schools.

Identified Listing of Priority, Focus, Alert and Improvement Schools

Superintendents, Treasurers, and Consolidated Application Contacts

FYI

Pursuant to the requirements of Ohio's ESEA Flexibility Waiver, the link below provides the final list for each of the identified categories of **Priority, Focus, Alert and Improvement** (other low performing) schools.

http://education.ohio.gov/GD/Templates/Pages/ODE/ODEDetail.aspx?page=3&TopicRelationID=129&ContentID=116237

In addition, all superintendents with identified schools from the lists above will receive an electronic notification from Paul Conaway titled "PFAI Schools Notification" and "DA Notification." The electronic notifications will include detailed information regarding LEAs requirements and responsibilities as they improve the identified schools and LEA status. Both electronic notifications contain links to requirements and timelines specific to each identified category: **Priority, Focus, Alert** and **Improvement** (other low performing) and **Differentiated Accountability** LEA status.

The Office of Federal Programs allocated $55,000 in Title I School Improvement Sub A funds for each identified non-SIG funded Priority and Focus school. An electronic notification will be sent from Title1.SI mailbox regarding specific usage requirements. The allocation is available in the LEAs CCIP.

Each electronic communication has a contact person at ODE to answer specific questions regarding the requirements of each category.
