Superintendents, Treasurers, and Consolidated Application Contacts

FYI

Local Educational Agencies (LEAs) can now access the September 30 Report from the CCIP on the left hand menu under Funding. Districts need to complete this report to show obligations/expenditures from the time of their Substantially Approved Date of the 2013 application through September 30, 2012. The deadline for completion is November 30, 2012 at 5:00 PM. See September 30 Report in the CCIP Doc Library under Financial Information for the purpose and details of the report.

Districts will have until December 12th to request a revision. On Friday, December 14, ODE program offices will sweep the funds not protected by the 9/30 report for reallocation.

Note: The link for the report is accessible only after logging into CCIP. It can found under the Funding Application sub-menu. ***The link is only shown for those districts required to complete the report.***
