FYI

Superintendents, Treasurers, and Consolidated Application Contacts

The Ohio Department of Education has automated the process of calculating **ESEA and IDEA** Maintenance of Effort requirement and requesting ESEA MOE waivers. The Maintenance of Effort page can now be accessed in the CCIP using the left hand fly out menu under Funding.

ESEA Maintenance of Effort Requirements (MOE) only:

1. LEAs can view information whether the LEA has met Maintenance of Effort requirements, ADM and expenditure data and MOE calculations.
2. LEAs that used Agreed Upon Procedures to meet MOE requirement can enter their data per ODE approval.
3. LEAs that use Schoolwide Pooling of funds (fund 598) can enter the percentage of state and local share in fund 598 as reported through EMIS.
4. LEAs that failed ESEA MOE are contacted by e-mail and can request a waiver by uploading the request and any supporting documentation into the MOE system. LEAs have until **May 10th, 2013** to request an ESEA MOE Waiver through the system.

IDEA Maintenance of Effort Requirements (MOE) only:

1. Educational Services Centers are not reviewed for IDEA MOE purposes.
2. IDEA MOE does not issue waivers.
3. LEAs that fail FY12 IDEA MOE will receive an email notification. No action is required until you receive the email notification of failure. If you do not receive the email that means you passed IDEA MOE and no action is required.
