I. Fiscal Year Period of Obligation Extension Request Title I-Part A, Neglected/Delinquent/Migrant
(IDEA is excluded.)
Requests must be submitted prior to June 1, 2014

Title I or Title I SI summer fiscal year extension requests are to be determined on a case by case basis with reasonable documentation as to why the request is being made prior to approval. Extensions other than for **SI, Migrant and Homeless Summer Programs** are not encouraged. Other Title I fiscal year extension of the obligation request will be limited to those districts that can cite fiscal circumstances for the request. Districts granted extensions must submit FERs by September 30th. If the summer school ending date does not cross fiscal years, there is no reason to offer that option. In other words, if the summer school does not extend beyond June 30, there is no reason to request an extension of the fiscal year. Another option is to submit the new FY15 application with a substantially approved date of July 1 so the district may obligate new funds for summer school beginning July 1. Refer to EDGAR-Section 76.707, "When Obligations Are Made" under Financial Guidance in the CCIP doc library for additional information. Districts are highly encouraged to use new fiscal year monies for activities occurring after July 1st.
