Ohio | Department of Education

CCIP Note #336

Update to Title II, Part A Allocations and Nonpublic Equitable Services Processes

March 2, 2015
Attention: Superintendents, Treasurers, Title I Directors/Coordinators and Consolidated Application Contacts

Starting next school year, the Ohio Department of Education will be making changes to its Title II, Part A allocation and nonpublic equitable services processes. The changes involve four general areas: the allocation formula, nonpublic equitable service levels, use of consortia and future allocations. For more information on these important changes, please click here.
