Attention: Revisions to the 21st Century Community Learning Center FY2017 RFA
The Ohio Department of Education has revised the (FY) 2017 21st Century Community Learning Center Request for Applications (RFA).

We will no longer consider new Path A awards in FY 2017 but will provide continuation grants for those receiving Path A awards in previous years.

The revised RFA, which contains the changes in red-lined font and strikethrough, is now available on the 21st Century website by clicking here.

For questions, contact the Ohio Department of Education's Office of Federal Programs at (614) 466-4161.
