CCIP Note # 386 – Final Estimates Loaded in CCIP

Re: Adjustments to allocation estimates are now available in CCIP
Date: October 19, 2017
To: Superintendents, Treasurers, Title I Directors/Coordinators and Consolidated Application Contacts

Allocation adjustments are loaded in CCIP based upon final award amounts provided by the U.S. Department of Education. The updated grants are:

- Title I-A Improving Basic Programs
- Title I-C Migrant
- Title I-D Delinquent
- Title I-D Neglected
- Title II-A Supporting Effective Instruction
- Title III Language Instruction for English Learners
- Title III Immigrant
- Title V-B Rural and Low-Income

Consolidated Application in Final Approved status will automatically be changed to Revision Started. Districts and community schools can submit a revision incorporating the adjustments or wait until carryover funds are loaded after their FY17 Final Expenditure Report (FER) is approved.

Please contact your Office of Federal Programs consultant if you have questions.
