CCIP Note # 387 - Local Equitable Access Planning

Re: FY18 Local Equitable Access Planning
Date: November 17, 2017
To: Superintendents, Title I Directors/Coordinators, and Consolidated Applications Contacts

The Equitable Access to Excellent Educators Component Tab is now open in the CCIP. Local education agencies (LEAs) will use this tab to engage in local equitable access planning. LEAs will have until January 19, 2018 to submit their local equity plans in the CCIP.

The Ohio Department of Education has produced the Equitable Access Analysis Tool for individual LEAs to use in local equity plan development. The tool provides a snapshot of each of the available data measures as well as the index values at the state, district, and building levels. The tool can be pulled from the EMIS Report Collector by the superintendent, treasurer, or EMIS coordinator.

Resources
The local equity plan website provides multiple resources to help LEAs as they engage in the planning process.

- For information on the required items and criteria, see *Resource Guide for Equitable Access to Excellent Educators Component*
- For information on how to locate the Equitable Access Analysis Tool, see *Locating the Equitable Access Analysis Tool*
- For information on submitting local equity plans in CCIP, see *Completing Equitable Access Items in CCIP*

Additional Equity Labs
In response to overwhelming demand from the field during the previous six regional equity labs throughout the state, the Department will be offering two additional one-day equity labs to assist LEAs in the equity planning process. The labs will provide LEAs the opportunity to engage in reviewing their Equitable Access Analysis Tool to determine equity gaps, conduct a root-cause analysis, and identify strategies to address gaps while also setting a goal to measure progress. Each district should bring a team of 3-5 people, with possible stakeholders including the superintendent, principals, teachers, HR staff, federal programs staff, parents and community members.

The labs will be from 9 a.m. to 3 p.m.

Date	Site	Location
11/30/2017	Quest	8405 Pulsar Place, Columbus OH 43240
12/1/2017	R.G. Drage Career Center	2800 Richville Dr. SE, Massillon, OH 44646

To register to attend this event go to the System to Achieve Results for Students (STARS) in your Secure Application for Enterprise (SAFE) account. The name of the event is “Educator Equity Lab” and the searchable keyword is “equity”.
