Agriculture Education 5th Quarter Competitive Grant Application

Issue Date: May 1st, 2018

Keywords: CCIP Competitive Funding Application, Agriculture Education 5th Quarter, grants

Summary: Provide an overview of the guidance, purpose, and submission for the Agriculture Education 5th Quarter Grant.

Description:

The Agriculture Education 5th Quarter Grant is a state-funded grant targeting year-round instruction. It was developed to assist local schools and career centers provide supplemental resources to ensure delivery of summer instruction and to develop student entrepreneurial activity and work experience through organized activities and supervised agricultural experience (SAE). The funds are used to provide additional revenue streams for local education agencies (LEAs) to assist them in providing the Agriculture Education 5th Quarter goal of year-round instruction and data collection to validate student experiences, income and efficiency factors correlated to SAEs.

Requirements:

Only LEAs that are committed to summer instructional activities with direct supervision of students by their teachers of agriculture may apply. The LEA must demonstrate a need for the funds and produce a complete proposal that meets the aims and purposes of the funds. Funding for the grant begins July 1, 2018, and runs through June 30, 2019. Successful applicants may receive grant funding for FY19. Agriculture Education 5th Quarter Grants are subject to the state biennium budget approval.

Dates:

Competitive Grant Applications for the Agriculture Education 5th Quarter Grant FY19 will open May 7, 2018 and shall close June 22, 2018.
