Re: Guidance on How to Complete a Nonpublic School Final Expenditure Page
Date: June 27, 2019
To: Consolidated Funding Application Contacts, Superintendents/CCIP Authorized Representatives and Treasurers/CCIP Fiscal Representatives of Public Schools, Community Schools, STEM Schools, ESCs and nonpublic school officials

The Office of Federal Programs has created guidance on how to complete the nonpublic school final expenditures page in the CCIP. The Nonpublic School Final Expenditures Page was created to assist LEAs in collecting the expenditure data necessary to comply with the federal obligation period and state's equitable services carryover policy. Click here for the guidance.

If you have questions regarding how to report nonpublic expenditures or validation messages regarding the Nonpublic School Final Expenditures page, please contact Chantelle Carter, Nonpublic Ombudsman at 614-466-5203 or chantelle.carter@education.ohio.gov
