Date: January 8, 2020
To: Consolidated Funding Application Contacts, Superintendents/CCIP Authorized Representatives, and Treasurers/CCIP Fiscal Representatives of Public Schools, Community Schools, STEMs, and ESCs

The Ohio Department of Education has completed Federal Programs allocations based on updated counts of economically disadvantaged students enrolled in new and significantly expanded community schools. This change affects allocations for Title I-A and Title II-A grants.

Additionally, the Office of Federal Programs expects the final allocations for the Fiscal Year, to distribute some additional funds to Local Education Agencies, to be made in February. Those final allocations will involve Title I-A, Title II-A, and Title III grants.

If you have any further questions regarding any changes to allocations for Title I-A, Title II-A or Title III grants, please contact your consultant in the Office of Federal Programs.

In addition, the final FY20 IDEA Part B Allocations (Sections 611 and 619) have been loaded in the CCIP.

If you have questions regarding your district's final allocations, you may contact the following staff members:
