Superintendents and Treasurers

Local educational agencies (LEAs) can now access the September 30 Report in the 2007 CCIP on the left menu.

About 540 districts still need to complete this report to show expenditures from the time of their substantially approvable date of the 2008 application through September 30, 2007. The deadline for completion is December 17. See September 30 Report in the CCIP Doc Library under *Financial Information* for the purpose and details of the report.

Note: The link for the report is accessible only after logging into CCIP. In addition, the link is shown only for those districts required to complete the report.

Collection of data pertaining to neglected and delinquent

Superintendents and Treasurers

FYI

The Ohio Department of Education is actively engaged in the process of collecting data pertaining to neglected and delinquent education programs supported with funds from Title I, Part D, Subpart 2 during the **2006-2007 school year.** The collection of these data is a legal requirement of the *No Child Left Behind Act of 2001*, PL 107-110, §9303.

All consolidated applicants with neglected or delinquent programs/facilities that received funds from Title I, Part D, Subpart 2 are required to complete the survey that was sent out on October 26, 2007. Please fill in the appropriate data in the tables provided, and send the entire attachment back to ODE either by regular mail, or electronically to james.lansden@ode.state.oh.us no later than **December 14, 2007**.

Questions regarding this data collection should be directed to James Lansden at 614-728-3018.

Please be advised that these data will be subject to various data quality checks upon arrival at ODE. Some of these checks will include the following measures:

- Verification that all applicable fields contain data
- Average length of stay field under programs and facilities cannot exceed 365 days (Table 2.4.2.1)
- Identification of discrepancies between number of programs offered, and number of programs that reported data (Tables 2.4.2.1, and 2.4.2.1.1)
- Consistency with the count of unduplicated students and the totals that fall into the demographic breakout category tables (Table 2.4.2.2)
- Consistency with the total number of long-term students who have both pre and post-test results, and the performance data totals (Tables 2.4.2.6.1 and 2.4.2.6.2)

If you have questions regarding the program or budget requirements, please direct them to your district's consultant in ODE's Office of Federal Programs at 614-466-4161.

Thank you for your assistance and cooperation in this effort.
