How to Access Public CCIP

The following steps are instructions for getting to the public CCIP for the purposes of looking at example plans.

STEP 1:

Go to the Ohio Department of Education webpage. In the top right hand corner, type CCIP in the search box. Select Comprehensive Improvement Plan from the list.

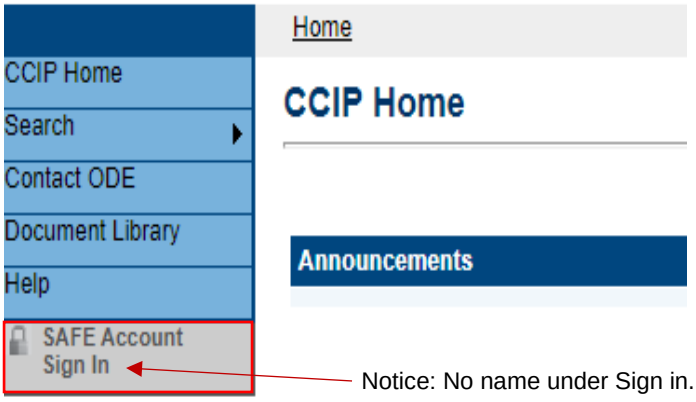

STEP 2:

Click on the link to access the CCIP. Once you select the link, the screen should look like this:

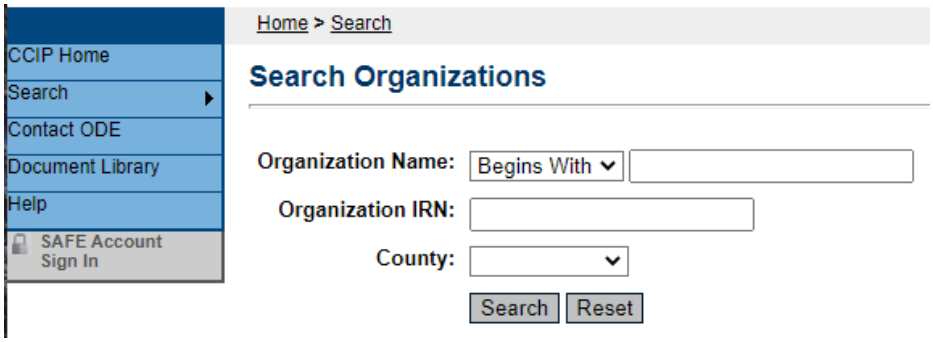

STEP 3:

Select access CCIP. This will bring you to the CCIP home page. Make sure you are NOT signed in. To check, there should be no name under the SAFE Account sign in on the left side of the navigation pane.

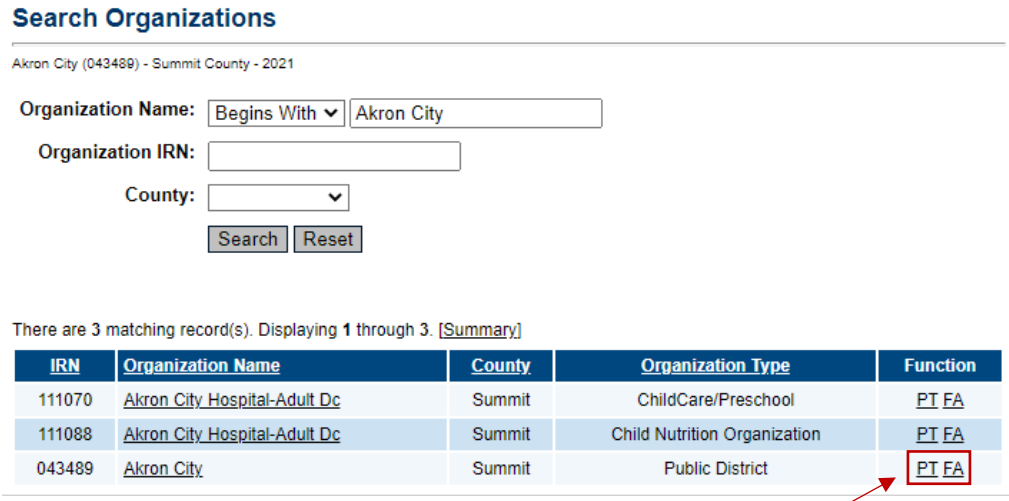

STEP 4:

On the left-hand side navigation pane, select Search. A pop out should appear that says Organizations.

STEP 5:

In the Organization page, type in the name of the district you want to review in the organization name field. Select search.

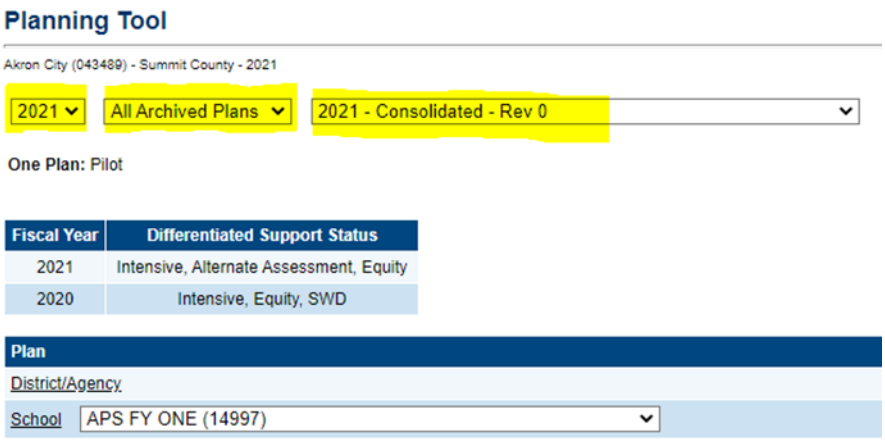

STEP 6:

Once the districts populate, in the far right hand column select PT for planning tool.

STEP 7:

Make sure in the drop-down box that Consolidated application is showing, as well as the correct year and all archived plan. If all of this is correct, a page like this should appear:

STEP 8:

Select District/Agency plan. This should open up the most recent plan submitted. You can review the plan from here.
