Ohio Department of Education Accepting Applications for the Committee of Practitioners
The Department is accepting applications for the Committee of Practitioners. Click the Committee of Practitioners Application to complete, save and submit electronically to ESEA@education.ohio.gov. The deadline to submit the application is **Friday, April 8, 2022**.

Committee of Practitioners Description
The Committee of Practitioners is authorized under the Elementary and Secondary Education Act (ESEA) as reauthorized by the Every Student Succeeds Act, Section 1603. The committee provides consultation and advises the Ohio Department of Education in the review of proposed or final state rules or regulations regarding the administration and implementation of Title I of ESEA. The Department will select the majority of the committee members from local educational agencies. The members will serve four-year terms. The committee will convene on an as-needed basis.
