Regional Meetings: ED STEPS Training and Nonpublic Updates Training Schedule

The Ohio Department of Education's Office of Federal Programs is pleased to host regional in person training sessions starting in November 2022. This training will be conducted in two separate sessions for each day.

The morning ED STEPs training session will be for districts in ALL Cohorts. Facilitator's focus will be on the enhanced ED STEPS One Needs Assessment (ONA) and the ED STEPS One Plan (OP). Participants will learn about what to expect during completing the process of a 1 and 3-year needs assessment and plan. It will also cover the agency review process when edits are required for the plans submitted.

The afternoon Nonpublic session will engage participants in a discussion of nonpublic equitable services. Districts are encouraged to invite their participating nonpublic principals to attend as well. Consultation, the new fall NPDS reporting window, services for FY23 and required monitoring documentation will all be discussed.

Sessions Format

The sessions listed will include a presentation or demonstration related to the session topic followed by an opportunity for questions and answers.

Be sure to follow all local coronavirus (COVID-19) protocols since these will be in-person sessions. For any questions or clarification about local guidelines, please call the ESC prior to the meeting.
