FY22 Emergency Stabilization Fund Reporting: ESSER, GEER and EANS

The U.S. Department of Education provided guidance on annual reporting requirements for states to report expenditures for the Elementary and Secondary School Emergency Relief (ESSER) Fund, the Governor's Emergency Education Relief (GEER) Fund, and the Emergency Assistance to Nonpublic Schools (EANS) program. Educational organizations that received one or more ESSER, GEER and/or EANS subawards must annually report on the uses of those funds in accordance with the grant assurances signed by the organization.

Recipients of this CCIP Note received at least one of the grants that will be included in the upcoming data collection. Recipients will be responsible for providing the requested information only for the grants they have received of the following list:

For those receipients that received the Emergency Assistance to Nonpublic Schools (EANS) program, there will be no survey that you will be required to complete in order to fulfill the required reporting.

A full list of ESSER and GEER recipients and the ESSER and GEER funds they received can be found HERE.

On **January 17, 2023**, the Authorized Representative, Fiscal Representative, and District Contacts for ESSER and GEER recipients will receive an email from donotreply@ohio-k12.help. This is the reporting mechanism for the collection of ESSER, GEER and EANS recipient expenditures.

The ESSER and GEER data collection must be completed by one email recipient by **March 31th, 2023.**

ESSER, GEER and EANS Reporting Guidance including the questions in this data collection can be found HERE. The organization will only receive questions for the grants in which it received an allocation.

In preparation for the data collection survey, grant recipients are encouraged to review the requirements for each of the grants received and begin collecting any applicable data. These requirements are based on current guidance from the U.S. Department of Education. The data collection survey will be based on these requirements and any additional guidance from the U.S. Department of Education.

In this data collection, expenditure data is only requested for the reporting period SFY22, **July 1, 2021 to June 30, 2022**. Expenditure data for subsequent reporting periods will be collected in later surveys.
