IS THERE A WAY TO SEE ALL THE SURVEY QUESTIONS BEFORE WE BEGIN REPORTING?

Yes. There is a survey guidance document that has broken down each survey with the required questions. You can find the guidance document on the CCIP document library under ESSER/GEER Annual Reporting>FY22 ESSER and GEER Reporting or by clicking this link.

HOW MANY TIMES WILL I BE REQUIRED TO ANNUALLY REPORT?

An annual report for Emergency Stabilization Funds (ESSER, GEER and EANS) is required for each year until all funds have been liquidated.

DO I HAVE TO COMPLETE ALL THE TILES ON MY REPORTING DASHBOARD?

Yes. The dashboard has been tailored for each entity depending on the grants received through Emergency Stabilization Funds. Any tile that shows up needs to be completed in order to have fully reported for each annual report.

I RECEIVED A SPECIFIC GRANT, BUT DO NOT SEE IT AS A TILE ON MY REPORTING DASHBOARD. WHAT SHOULD I DO?

If an entity had no expenditures to report in the current reporting period and had no remaining funds, it was removed from the list as there is nothing to report. It is possible that a mistake was made so if clarity if needed, please email ESFannualreporting@education.ohio.gov.

MY ORGANIZATION RECEIVED FUNDS DURING FY22, BUT DID NOT EXPEND ANY FUNDS UNTIL FY23. DO WE STILL NEED TO COMPLETE REPORTING?

Yes. Even though there will be no expenditures ($0.00), the percentage of remaining funds question(s) need to be completed.

IS CRF AND BROADBAND CONNECTIVITY PART OF THIS REPORTING?

No. CRF reporting is complete and was a separate reporting process. Broadband Connecitvity also had separate reporting requirements and is not part if this annual report.

WHAT DOES "EXPENDITURE DATA" MEAN? WHAT DOES THIS INCLUDE?

An expenditure is the actual spending of money. For the purposes of reporting, the Ohio Department of Education has collected expenditure data for each entity through submitted Final Expenditure Reports through the reporting period.

WHAT IF I PREVIOUSLY REPORTED AN EXPENDITURE IN A CATEGORY THAT IS NO LONGER APPLICABLE?

Unfortunately, we are not able to report negative numbers or change submitted data from a previous reporting period. Instead, the current reporting period expenditures will have to be adjusted to account for the expenditure in an incorrect category from the previous reporting period.

HOW CAN I DETERMINE WHAT USE OF FUNDS CATEGORY IS BEST FOR REPORTING AN EXPENDITURE?
