FY23 Mandatory Monitoring

- Why was my organization chosen to complete the Improvement and Innovation Grants Monitoring Survey?
- What are my obligations?
- When are my deadlines?
- Which School Year should I be reflecting on?

Grant-Specific Cohort Selection Criteria

EOEC & SQIG Risk Factors

1. Carryover of FY20 and FY21 funds into FY22
2. Completion and timeliness of FY22 Grant Monitoring Survey
   - Bonus credit was awarded to LEA's who completed this survey as reflective Self-Assessment tool
3. Date that FY22 grant application reached Authorized Representative Approval
4. Quantity and dates of Project Cash Requests that were submitted during FY22

Note: All Title I SIG 1003(g) Waiver grantees are required to complete the Desk Review survey since it is a closeout year for the grant.

Mandatory Monitoring Obligations

Changes from Previous Years

- The Grants Monitoring Surveys have been separated from the Support Schools Tool

Changes from Previous Years

- **School Quality Improvement Grantees**: The LEA is now required to submit ONE (1) survey and it will include all building information. LEAs will no longer complete separate surveys.

- State Support Teams do not need to provide feedback this year.
