ELIGIBILITY REQUIREMENT

Eligibility Requirement

Will your agency primarily serve students who attend schools with a high concentration of low-income students and families?
For this application, a school with a high concentration of low-income students and families is defined as a school with a poverty percentage (the percentage of students eligible for free or reduced-price meals) of 40 percent or greater or a school that has received designation under the community eligibility provision, as determined by school enrollment or the participating attendance area.
Interested applicants must determine if they meet the eligibility requirements prior to submitting an application by checking the FY24 Data for Free and Reduced Price Meal Eligibility page. If the schools being served appear on the list as having 40% or greater, the applicant is eligible to apply.
When serving more than one school, where one school may be eligible and the other is not, the applicant must consider a school in greater need of 21st Century Community Learning Center programming.
