For those recipients that received the Emergency Assistance to Nonpublic Schools (EANS) program, there will be no survey to complete in order to fulfill reporting requirements.

A full list of ESSER and GEER recipients and the ESSER and GEER funds they received can be found HERE.

On **January 16, 2024**, the Authorized Representative, Fiscal Representative, and District Contacts for ESSER and GEER recipients will receive an email from datacollections@ohio.k-12.help. This is the reporting mechanism for the collection of ESSER, GEER and EANS recipient expenditures.

The ESSER and GEER data collection must be completed by one email recipient by **April 5th, 2024.**

ESSER, GEER and EANS Reporting Guidance including the questions in this data collection can be found HERE. The organization will only receive questions for the grants in which it received an allocation.

In preparation for the data collection survey, grant recipients are encouraged to review the requirements for each of the grants received and begin collecting any applicable data. These requirements are based on current guidance from the U.S. Department of Education. The data collection survey will be based on these requirements and any additional guidance from the U.S. Department of Education.

In this data collection, expenditure data is only requested for the reporting period SFY23, **July 1, 2022 to June 30, 2023**. Expenditure data for subsequent reporting periods will be collected in later surveys.
