CCIP Note #550

Re: Federal Programs Regional Trainings in June
Date: April 25, 2024
To: Superintendents, Treasurers, Authorized Representatives, Fiscal Representatives and Consolidated Funding Application Contacts of Consolidated Funding Applications and Federal Programs

REGIONAL MEETINGS: FEDERAL PROGRAMS, ED STEPS UPDATES AND FUNDING APPLICATION LIVE LABS

The Ohio Department of Education and Workforce's Office of Federal Programs is pleased to host regional in-person training sessions starting in June 2024. These training include Federal Programs updates, ED STEPS updates and regional discussion on ED STEPS process, then Live Lab session for the funding application and One Plan.

Federal Programs Updates: Federal Programs Updates will focus on current and future changes that districts and schools can expect for FY26. Funding allocations, allowable carryover, uses of funds, nonpublic equitable services, summer extensions, and liquidation.

ED STEPS Updates: ED STEPS updates will provide current timelines for release, One Plan updates, and One Funding Application updates.

Live Lab Session: The Live Lab session will engage participants in the completion of their One Needs Assessment and One Plan, revising their One Plan and completing their ESEA Consolidated Funding Application for FY25. Participants should bring a laptop for this session since it will be a working session. Federal programs consultants will be available to work with districts to complete their plans and funding applications in time for the July 1, 2024, deadline.

Note: Districts that fail to complete their funding applications by the deadline will not have a substantially approved date of July 1, 2024 for applying federal resources. Districts and buildings that have not completed their required One Needs Assessment and One Plan should expect their funding applications to be held for approval until their plans are completed and properly submitted to the agency.

Sessions Format
The sessions include a presentation or demonstration followed by an opportunity for questions and answers. There are five in-person regional sessions scheduled. Three sessions will be in Columbus, one in the northern region and one in the southern region of Ohio. Each location will provide an AM and a PM option for attendance. Morning sessions run from 9:00

a.m. to 11:30 a.m. The afternoon session is from 1:00 p.m. to 3:30 p.m. Please remember to bring your laptop and your questions to one of these sessions.

REGISTRATION

Registration is available in STARS V2.0, which can be accessed through your OH|ID Portal under "Training and Registration". To find the session information, we recommend searching any of the following fields: Federal Programs.

Event Name: Federal Programs – Regional Trainings
Keywords for FY24 Spring Regional Trainings: Federal programs, ED STEPS
