New Coordinator's Workshop
The Department will be providing an all-day workshop for new Federal Programs Coordinator's in public districts and community schools this year. The workshop will be held at the Columbus Metropolitan Library, 96 S Grant Ave, Columbus, Ohio 43215 on August 20, 2024, and August 21, 2024, in the auditorium on the first floor. Parking is available in the garage that is connected to the library. The workshop begins at 9:00 a.m. and concludes at 4:00 p.m. The workshop session formats will include lecture, interactive and lab environment. The purpose of the workshop is to provide new coordinators with the foundational knowledge of the grant funds and technology systems and tools used to administer the title programs.

The session will assist new coordinators with understanding their roles and lay the groundwork for learning sessions provided during the OAASFEP Fall conference provided in October during the New Coordinator's Academy. First year coordinators are encouraged to attend. The cost for this workshop is free.
