ALLOCATION UPDATES

- Please see CCIP Note 570 for more information on Consolidated applications and allocations.
- The Department of Education and Workforce (Department) has received the preliminary allocations from the US Department of Education (USED) for the following grants and will release the Local Education Agency (LEA) preliminary allocations in mid-June:
    - Title I, Part A: Improving Basic Programs
    - Title I, Neglected
    - Title I, Part D: Delinquent
    - Title IV, Part A: Student Support and Academic Enrichment
    - IDEA-B Special Education
    - IDEA Early Childhood Special Education

ALLOCATION UPDATES (CONTINUED)

The following preliminary allocations will also soon be released under the School Improvement and Support Grants application:

- Expanding Opportunities for Each Child Non-Competitive
- Title I Non-Competitive Supplemental School Improvement

ALLOCATION UPDATES (CONTINUED)

- The Department has not received preliminary allocations from USED for the following grants:
  - Title I, Part C: Migrant Education
  - Title II, Part A: Supporting Effective Instruction
  - Title III, Part A: Language Instruction for English Learners and Immigrant Students
  - Title V, Part B: Rural Education Achievement Program

- The Department plans to release placeholder allocation amounts (i.e. 50 percent of the award) for these grants for LEA planning purposes and to be able to fill out the application. It is important to note that the amounts are not actual grant award amounts, and the Department will provide the actual allocations for the LEAs to update and submit through an application revision once the Department receives the grant awards.

- FY26 Consolidated Preliminary Allocations and Placeholder Amounts

ALLOCATIONS UPDATES (CONTINUED)

- Special Note: Due to the timing of allocations and the switch to a new system, Federal Programs will update the FY26 Consolidated ESEA Grant Risk Factor to not adversely penalize districts that submit the Consolidated application after July 1.
- However, LEAs are still encouraged to submit their FY26 Consolidated Application by July 1, 2025. The Substantially Approved Date (SAD) continues to be the date in which a grant is submitted in Authorized Representative Approved status.

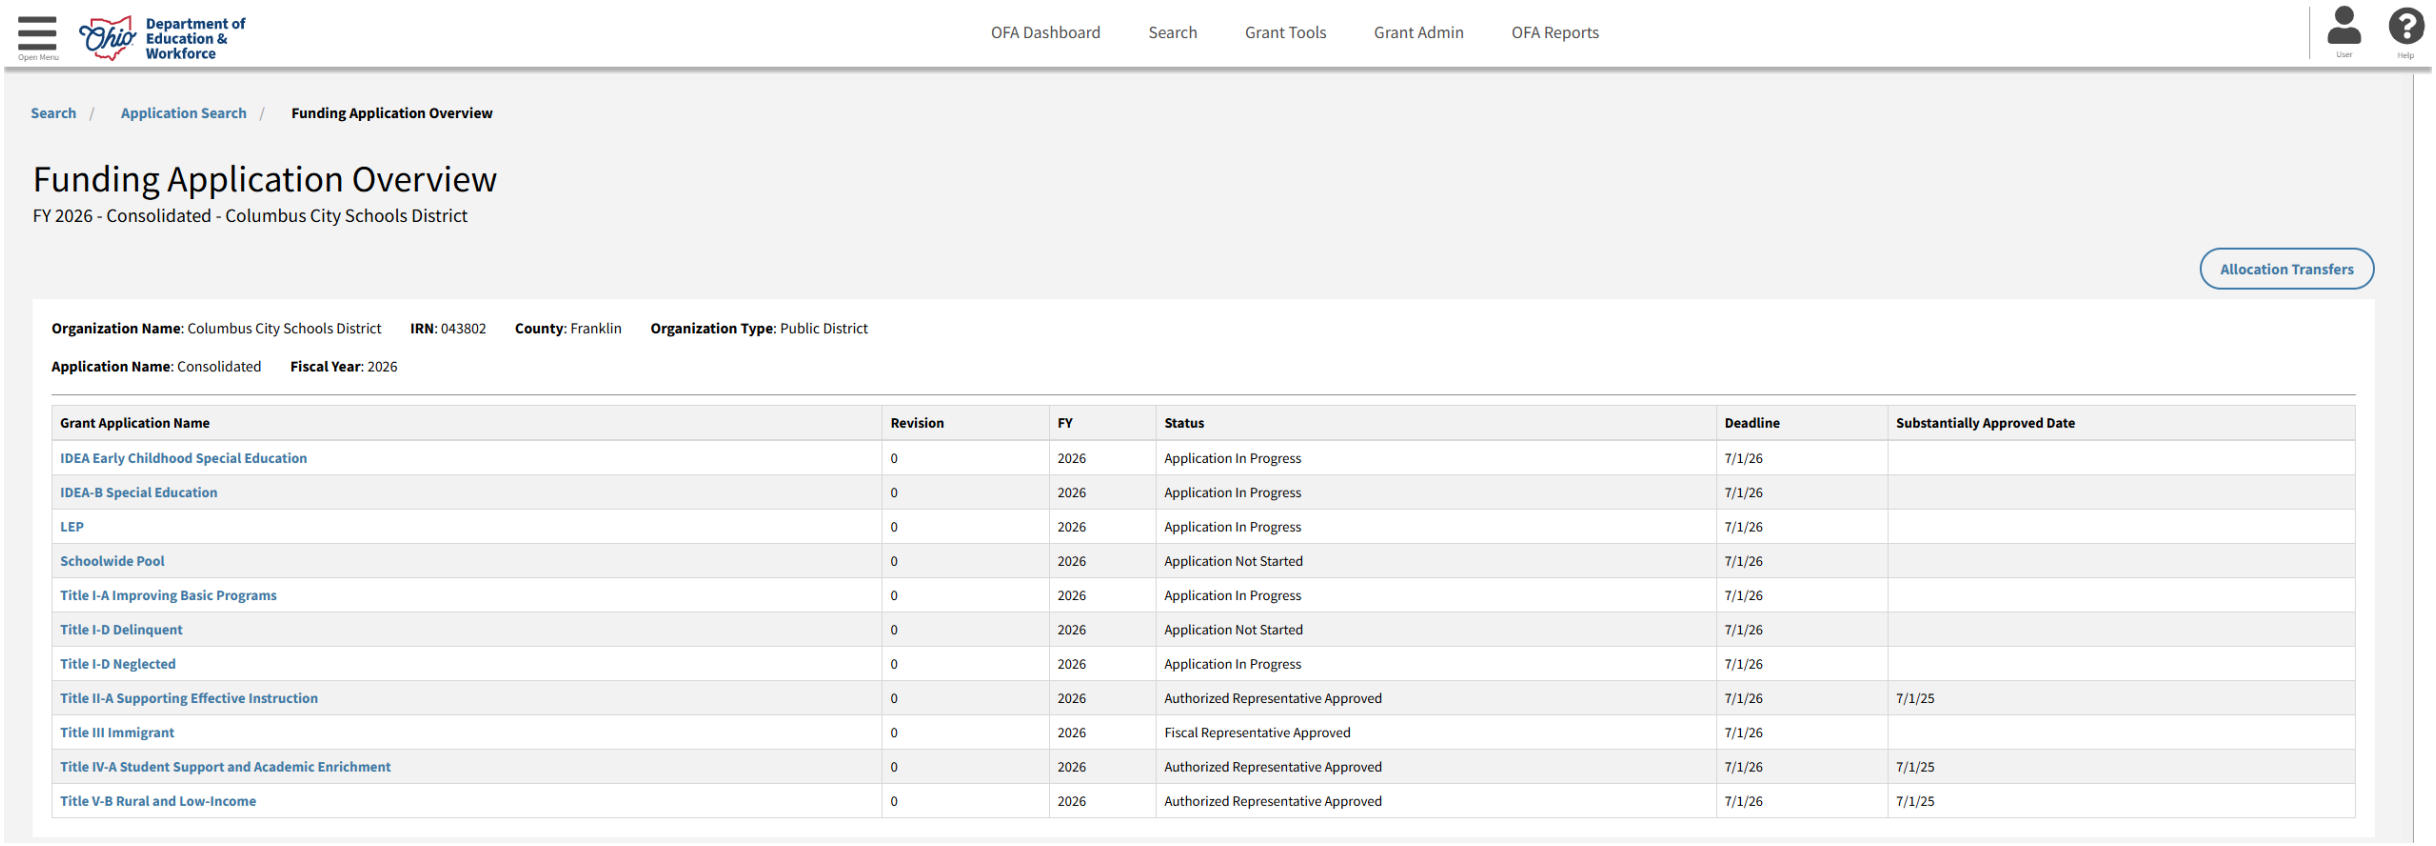

CCIP NOTE 571 COMING SOON

- Update on Consolidated application development and allocations
- Title I-A preliminary allocations loaded for LEAs to complete
- There are still significant features that will not be available on the initial Consolidated application. In particular, the Nonpublic School Service page is not calculating the proportional share correctly in all instances. In addition, transferability and schoolwide pooling features will not be available for Title I-A and across the other Title grants.
- The Department understands the complications of not having these features at the time of budgeting and planning. The change this year is due to the delays from the USED for allocations and the implementation of new grant system enhancements.

SPECIFIC STEPS FOR LEAS

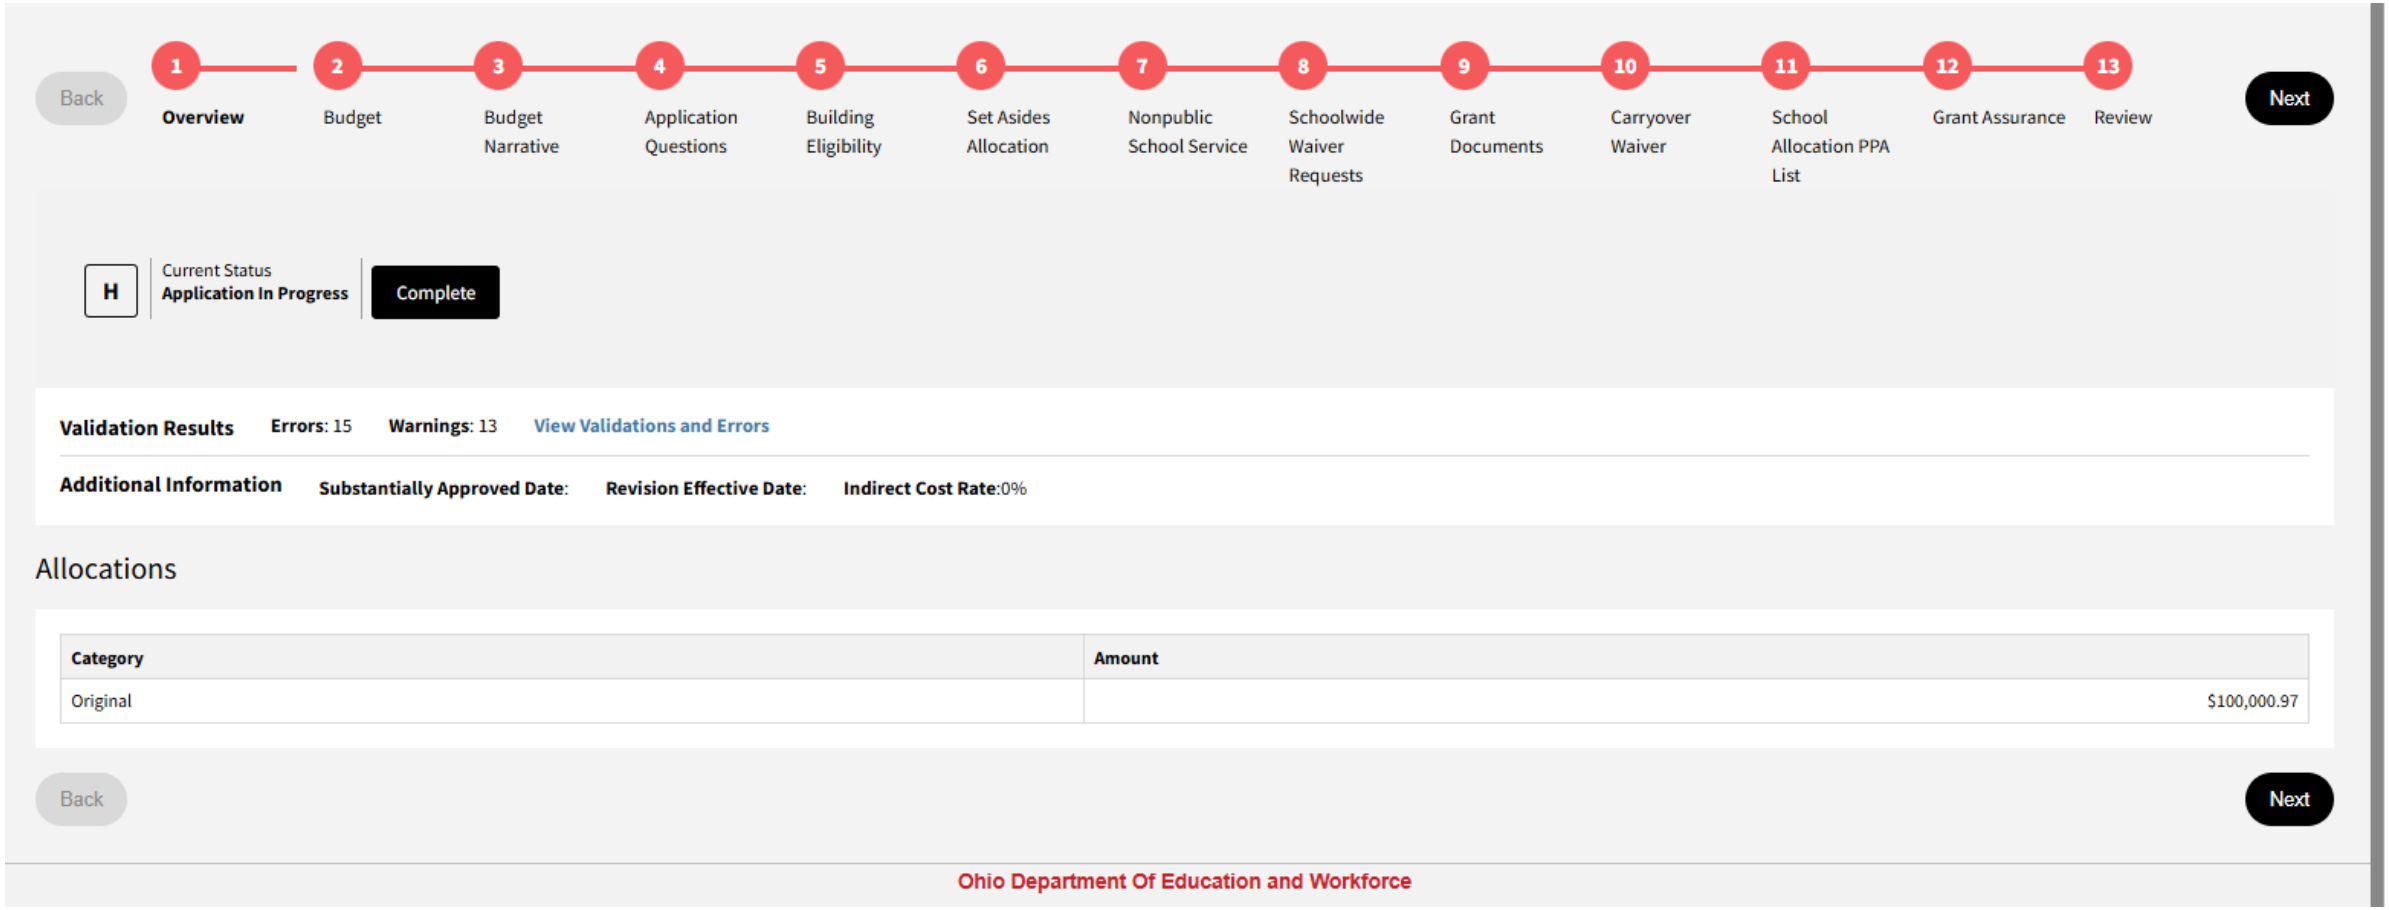

- The Department recommends LEAs submit an initial application for each grant by July 1 with only the basic information to be able to receive a substantial approval date.
- In early July, the Department anticipates having full functionality across the Consolidated ESEA grant applications, as well as receiving the remaining ESEA Title grant awards and allocation amounts from USED.
- The Department will then return the Consolidated grant applications in a coordinated manner and inform all LEAs through various communication methods including a CCIP Note.
- LEAs will then complete revisions to their Consolidated grant applications to budget the full preliminary allocation amounts in grants that currently have placeholder amounts and address any necessary changes.

FUNDING APPLICATION OVERVIEW

Grant Application Name	Revision	FY	Status	Deadline	Substantially Approved Date
IDEA Early Childhood Special Education	0	2026	Application In Progress	7/1/26
