FY26 Title I Non-Competitive Supplemental School Improvement (TI NC SSI) Grant-Specific Assurances

LEAs relinquish the rights to Title-I Non-Competitive, Supplemental School Improvement funds for the remainder of the fiscal year for failing to meet these assurances. The district or community school must ensure it will:

- Spend allocated funds at the appropriate school and on allowable expenses at that school;
- Implement Ohio's continuous improvement framework or a similar continuous improvement cycle, such as ED STEPS;
- Align Title I Non-Competitive Supplemental School Improvement fund expenditures to the Building Needs Assessment;
- Ensure only evidence-based practices and properly licensed providers are used to support the action steps and strategies in the building's school improvement plan;
- Ensure the providers have access to district- and building-level data as requested by the service provider and to teachers and other district/school personnel as needed;
- Expend funds in accordance with the school improvement components of the building plan and required interventions;
- Ensure Title I Non-Competitive Supplemental School Improvement funds are used to build the capacity of the building staff and community to address identified needs and, if used for direct student services, the providers are properly licensed;
- Understand Title I Non-Competitive, Supplemental School Improvement funds may be denied and/or the state may request the district reimburse the Title I Non-Competitive Supplemental School Improvement funds for failing to meet the assurances.
