FISCAL YEAR 2026 IDEA EARLY CHILDHOOD SPECIAL EDUCATION ONE FUNDING APPLICATION UPDATE

The IDEA Early Childhood Special Education (IDEA ECSE) grant has been released in the One Funding Application for Fiscal Year 2026. The Department is updating the application validations to warnings to align with other FY26 Consolidated grant applications. Once these validation updates are in place, districts may complete the application according to the guidance provided under CCIP Note #572 and CCIP Note #573 regarding signed assurances. We appreciate your understanding as we've addressed these ongoing issues.
