CCIP Note #579

Re: Consolidated ESEA Grants Monitoring
Date: December 12, 2025
To: Superintendents, Treasurers, Authorized Representatives, Fiscal Representatives and Consolidated Funding Application Contacts of Public Districts, Community Schools, STEM Schools, and ESCs

Consolidated ESEA Monitoring Desk Review Survey Now Open

The FY25 Consolidated ESEA Grants module is now available in the Monitoring system. The Office of Federal Programs has a three-tiered monitoring system that includes Self-Survey, Desk, and On-Site reviews. Please note the system is open for **desk review surveys only**. Onsite surveys and Self surveys will be accessible in the coming months. All Local Education Agencies (LEAs) in Ohio that receive Consolidated ESEA grants are subject to a Consolidated ESEA monitoring review.

Tiered Monitoring

Self-Survey**:** LEAs that are assigned a Self-Survey must complete the survey in the OH-ID portal Monitoring application. Self-Surveys must be completed by **June 30, 2026, at 11:59 PM**. Risk factor points are assigned for failure to submit a completed Self-Survey by deadline.

Desk Review**:** LEAs that are assigned to a Desk Review will be contacted by an assigned federal programs consultant to prepare for and complete the Desk Review. The LEA will be asked to upload evidence for the Desk Review questions within the Monitoring module, then complete a Desk Review call.

On-Site Review: LEAs that are assigned an On-Site Review will be contacted by an assigned federal programs consultant to prepare for and complete the On-Site. During the On-Site Review, a team of consultants will visit the LEA and conduct the review. The team will review documents, conduct interviews, and visit public and nonpublic buildings (if applicable) that receive services with Consolidated ESEA grant funds. A schedule for the visit will be provided prior to the On-Site Review. The LEA will be asked to upload all documents for the On-Site Review questions prior to the On-Site Review and by the date determined by the lead consultant for the review.

Enhancements and Updates

This year, the Office of Federal Programs (OFP) will continue to focus desk and onsite monitoring by cohort. This year, LEAs in Cohort 1 are eligible for a Desk or Onsite review. LEAs from all cohorts may receive a self-survey. In late November, LEAs received a CCIP History Log note in their FY26 Consolidated application informing if they have a self-survey, desk review or on-site review. Additionally, OFP simplified the requirements by realigning several of the survey questions, reducing the number of overall questions, and in some instances requiring less

evidence requested of the LEA. Surveys also include a "Not Applicable" option for those questions that may not be applicable to a specific district. The manuals below provide instructions to LEAs for navigating and completing for each type of Consolidated ESEA monitoring survey.
